<ul style="list-style-type: none">Include the conduct of regular meetings with the LGUS in the contract.	The conduct of regular meetings with LGU beneficiaries will be facilitated by the RSU as main proponent of the project.
<ul style="list-style-type: none">Define the duties and responsibilities of the parties involved in the contract.	The duties and responsibilities of the RSU as main proponent are itemized in the MOA.
<ul style="list-style-type: none">Conduct pre- and post-assessment of the project.	The current status of solid waste efforts of LGU is already indicated in the proposal (pp. 2-3). Post-assessment will be conducted after delivery of equipment. Progress reports will also be submitted by the RSU.
<ul style="list-style-type: none">Ensure that waste is sorted before disposal and compacting.	This is noted. This will be included in the coordination meetings with designated MENROs of LGUs and in the training on the operation and maintenance of equipment prior to operationalization.
<ul style="list-style-type: none">Specify in the MOA how the generated revenue will be managed.	A separate agreement by the RSU with the partner LGUs will be forged.
<ul style="list-style-type: none">Align the budget of LGU in implementing the Ecological Solid Waste Management Act.	This is noted. This will be included in the coordination meetings with designated MENROs of LGUs.
