<ul style="list-style-type: none"><li>Consider publication to encourage other food establishments in upgrading their standards.</li></ul>	Included in the sustainability plan, p.5
<ul style="list-style-type: none"><li>Formulate a food safety compliance manual or a daily and monthly checklist for the participating eateries.</li></ul>	Included sample food safety checklist and action plan template in the proposal, p.4-5
<ul style="list-style-type: none"><li>Include information on pre- and post-intervention.</li></ul>	Progress reports that contain the results of the assessments (pre and post) and recommendations would also be prepared and submitted to the LGU top management as basis for their decision and policymaking. Other municipalities would also be encouraged to issue an ordinance adopting the FEIGS project in their area of jurisdiction. p.3
<ul style="list-style-type: none"><li>Ask LGU if they could give an award to the best eatery out of the 10 participating eateries according to set criteria after a year.</li></ul>	Coordinated with LGU-Romblon. They are willing to give incentives to eateries that would actively participate in the project and would strictly observe food safety in their operation.
<ul style="list-style-type: none"><li>If FDA and DOH Romblon are willing, partner with them in funding the award for the best (or best 3) out of 10 eateries.</li></ul>	Coordinated with DOH. They are willing to partner with us for the project.
