THRU: MARCELINA V. SERVAÑEZ

Provincial Science and Technology Director
DOST- MIMAROPA PSTC Romblon
Odiongan, Romblon

Madam:

Greetings of prosperity and solidarity!

The year 2021 is the 20th year anniversary of Republic Act 9003. Also, it is the year for all open dumpsites nationwide including the one here in our municipality to cease and desist from operation. We urgently shifted to Residual Containment Area (RCA) to manage the residual wastes until the municipality can establish a long term- disposal facility such as a Sanitary Landfill.

Relative to my request dated May 19, 2021 for a **2-in- 1 Multi- purpose Shredder and Glass Pulverizer**, I am extending my strong intent for the said request.

This is in connection to the waste diversion efforts of the LGU as mandated by RA 9003 or the Ecological Solid Waste Management Act of 2000 and RA 7160 or the Local Government Code of 1991. I believe that through collaborative effort of LGU and DOST, the solution to solid wastes will be realized ultimately.

I hope for your positive response regarding this matter. For additional requirements regarding the request, please get in touch with the MPDC Support Staff **Mr. Patrick F. Fedilus** through telephone number **(0912) 594 8800**, email address melyfaderanga2019@gmail.com and FB messenger *Patrick Fedilus*.

Thank you and Best regards.

Very respectfully yours,

MILAGROS F. FADERANGA
Municipal Mayor
