Dear **Dir. Abilay**:

Greetings!

The Marinduque State College would like to extend our deepest gratitude to the immeasurable support of the DOST-MIMAROPA for the improvement of R&D capabilities of this institution.

In connection to this, MSC would like to avail the DOST-MIMAROPA's technical assistance through DOST's Grant in Aid Program (GIA), specifically, we need support for the project entitled "Development of a Non-dairy Probiotic Drink Using Coconut Sap as a Substrate".

We aim to develop a non-dairy based probiotic drink from coconut sap including the optimization process.

We believed that through DOST MIMAROPA's assistance, we will be able to acquire appropriate equipment that is essential for the said R&D project.

Thank you very much and we are looking forward for your positive response.

Very truly yours,

PROF. DR. DIOSDADO P. ZULUETA
SUC President III
