**TO WHOM IT MAY CONCERN:**

**Greetings!**

The undersigned would like to request funding for the project entitled **“Compatibility Testing of Indigenous Crops with Cacao for the Formulation of New Chocolate Products”**. This project will help Cacao farmers and utilize other indigenous crops aside from Cacao once this project becomes successful for its intended objectives.

I am hoping this project can develop and provide an alternative source of income for the farmers and entrepreneurs here in Palawan.

Looking forward to the approval of this project.

Thank you and more power!

Sincerely yours,
