Dear **Regional Director Abilay**,

Greetings from the Marinduque State College!

We are respectfully endorsing the attached proposal entitled **“Establishment of Tissue Culture Laboratory for Banana”** for funding consideration of your good office.

This project generally aims to promote and enhance the production of banana (Saba and Lakatan) in the Province of Marinduque. Specifically, it aims to: 1) establish a tissue culture laboratory for banana in Marinduque State College; 2) produce 22,400 tissue-cultured banana planting materials per year for farming communities; and 3) engage and capacitate at least 50 farmers in banana production every year in the province.

Thank you very much and Godspeed.

Very truly yours,
