REPORT OF INDEPENDENT AUDITOR

To the Board of Directors and Shareholders
GENARO ARB MULTI-PURPOSE COOPERATIVE
Poblacion Magsaysay, Occidental Mindoro

Report on the Audit of the Financial Statements

Opinion

I have audited the financial statements **GENARO ARB MULTI-PURPOSE COOPERATIVE** which comprise the statements of financial condition as at December 31, 2022 and 2021 and the statements of operations, statements of changes in equity and statements of cash flows for the years then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements present fairly, in all material respects, the financial position of statements **GENARO ARB MULTI-PURPOSE COOPERATIVE** as at December 31, 2022 and 2021 and of its financial performance and its cash flows for the years then ended in accordance with Philippine Financial Reporting Framework for Cooperatives.

Basis for Opinion

I conducted my audit in accordance with Philippine Standards on Auditing (PSAs) and the Standard Audit System for Cooperatives (SASC). My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am independent of the Cooperative in accordance with the *Code of Ethics for Professional Accountants in the Philippines*, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Philippine Financial Reporting Framework for Cooperatives, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Cooperative's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Cooperative or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Cooperative's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with PSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with PSAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and

appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Cooperative's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Cooperative's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Cooperative to cease to continue as a going concern.

Identify and assess the risks of material misstatement of the finance

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Report on the Supplementary Information Required Under Revenue Regulations 15-2010

My Audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information on taxes, duties and license fees in Notes to the financial statements is presented for purposes of filing with the Bureau of Internal Revenue and is not a required part of the basic financial statements. Such information is the responsibility of management. The information has been subjected to the auditing procedures applied in my audit of the basic financial statements. In my opinion, the information is fairly stated in all material respects in relation to the basic financial statements taken as whole.

These financial statements of the cooperative for the year ended December 31, 2022 were authorized for issue by the Board of Directors on _____.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

To facilitate the understanding of the financial statements, the more significant accounting policies and practices of the cooperative are summarized as follows:

Basis of Preparation/Partial Adoption of New/ Revised Philippine Accounting Standards

The financial statements have been prepared in conformity with accounting principles generally accepted in the Philippines using historical basis. The measurement bases are more fully described in the accounting policies. The accounting principles followed and used include PAS 101 (as non-publicly accountable entity) and partly by the following new/revised Philippine Accounting Standards (PAS), Philippine Financial Reporting Standards (PFRS) which are effective for financial reporting.

PAS 1 – Presentation of Financial Statements

PAS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

PAS 10 – Events after Balance Sheet Date

PAS 16 – Property, Plant & Equipment

PAS 24 – Related Party Transactions

PAS 7 – Cash Flow Statements

PAS 18 – Revenue

PAS 1 – Presentation of Financial Statements

Provide framework of financial statement presentation. It requires more specific balance sheet line items; financial statements must be comparative; and has a number of new disclosure requirements. This standard also requires presentation of comparative information.

PAS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

The standard is applied in selecting and applying accounting policies and accounting for changes in accounting policies, changes in accounting estimates and correction of prior period errors.

PAS 10 – Events after Balance Sheet Date

The standard is applied in the accounting for and disclosure of events after balance sheet date.

PAS 16 – Property, Plant and Equipment

PAS 16 (a) provides additional guidance and clarification on recognition and measurement of property, plant & equipment; (b) require capitalization of assets dismantling, removal or restoration; (c) and requires measurement of an item of property & equipment acquired in exchange for a non-monetary asset or a combination of monetary and non-monetary assets at fair value, unless the exchange transaction lacks commercial substance. The standard also provides guidelines for de-recognition (e.g. disposal)

PAS 24 – Related Party Transactions

This standard applies in: (a) identifying related party relationship transactions; (b) identifying outstanding balances between an entity and its related parties; identifying the circumstances in which disclosures to be made about these items.

PAS 7 – Cash Flow Statements

Prescribe the provision of information about the historical changes in cash and cash equivalents of an entity by means of a cash flow statement which classifies cash flows during the period from operating, investing and financing activities.

PAS 18 – Revenue

Prescribe the accounting treatment for revenue arising from certain types of transactions and events.

3. MANAGEMENT SIGNIFICANT ACCOUNTING JUDGEMENT AND ESTIMATES

Management's Use of Judgments and Estimates

The financial statements are prepared in conformity with the above-mentioned accounting principles accepted in the Philippines which requires management to make estimates and assumptions that affect the amounts reported in the financial statements are based on management's evaluation of relevant facts and circumstances as of date of the financial statements. Actual results could differ from such estimates.

The key estimates/ assumptions concerning the future that has significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Estimated Useful Lives

The useful life of the Cooperative's property or equipment is based on the period over which the assets are expected to be available for use. Such estimation is based on a collective assessment of industry practice, internal technical evaluation and experience with similar assets. The estimated useful lives of the assets are reviewed periodically and updated if expectations differ from previous estimates due to physical wear and tear, technical or commercial obsolescence and legal or other limits on the use of the asset. It is possible, however, that future results of operations could be materially affected by changes in the amounts and timing of recorded expenses brought about by changes in the factors mentioned above.

Functional and Presentation Currency

Items included in the Cooperative's financial statements are measured using the currency of the primary economic environment in which the entity operates. The financial statements are presented in the Philippine Peso, which is the Cooperative's functional and presentation currency.

Revenue Recognition

Revenue is recognized when it is possible that economic benefit associated with transaction will flow to the cooperative and the amount of revenue can be measured reliably. Revenues from the transactions of the Cooperatives are recognized on a cash basis.

Cash and Cash Equivalents

Cash includes cash on hand and in bank. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amount of cash with original maturities of three months or less and that are subject to an insignificant risk of change in value.

Property and Equipment

Property and equipment are carried at cost less accumulated depreciation and impairment in value. Depreciation is computed using the straight line method over the estimated useful lives of the assets.

Cost and Expenses

Cost and expenses not directly attributable to capitalize assets or projects are recognized and charged to operations as incurred.

Accounting Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the Philippines that requires the Cooperative to make estimates and assumptions that affect the reported amounts of income, expenses, resources and disclosures of contingent resources and liabilities. Actual results could differ from those estimates.

Allocation and Distribution of Net Surplus

The Cooperative's constitution and by-laws explicitly provide that its net surplus at the end of the year shall be distributed in the following manner:

- a) General Reserve Fund – Ten percent (10%) shall be set aside for the reserve fund. The reserve fund shall be used for the stability of the Cooperative and to meet losses in its operations.
- b) Education and Training Fund – Ten percent (10%) for the education and training fund. Half of the amount transferred to the education and training fund annually under this subscription may be spent by the Cooperative for education and training purposes; while the other half shall be credited to the Cooperative's education and training fund of the Apex organization.
- c) Optional Fund – Seven percent (7%) of the Cooperative's net surplus. It shall be used for acquisition of the Cooperative's land and building.
- d) Community Development Fund – Three percent (3%) of the Cooperative's net surplus for projects and activities that will benefit the community where the Cooperative operates.
- e) Interest on Share Capital and Patronage Refund Payable – after deductions of the statutory, any remaining net surplus shall be distributed to the Cooperative's members in the form of interest not to exceed the normal rate of return on investments and patronage refunds. It is allocated at the ratio 70% and 30% respectively after provisions of the statutory funds.

4. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Cooperative is exposed to credit, liquidity and other risks that arise in the normal course of its business. Its risk and control framework includes a focus on minimizing negative effects on the Cooperative's financial performance due to unpredictability of financial markets that drives the risks.

Credit Risk

Generally the maximum credit risk exposure of financial assets is the carrying amount of the financial assets as shown on the face of the statement of financial condition. The Cooperative continuously monitors default of customers and other counterparties and incorporates this information into its credit risk controls. The cooperative's policy is to deal only with creditworthy counterparties. The Cooperative's management considers that all the above financial assets that are not impaired or past due for each balance sheet dates are good credit quality.

Liquidity Risks

Liquidity or funding risk is the risk that an entity will incur difficulty in raising funds to meet commitments associated with financial instruments. Liquidity risk may result from either inability to sell financial assets quickly at their fair values, or counterparty failing on repayment of contractual obligation, or inability to generate cash flows as anticipated.

In order to minimize liquidity risk, the Cooperative maintains sufficient cash and has the availability of funding an adequate amount of committed credit facilities.
